Dear [Personal Title] [Professional Full Title] [Last Name],

HP and Microsoft® give you the green light to **go** and get the low-cost benefits of virtualization.

Ready ... with the new HP ProLiant G6 servers and HP storage solutions, then **go** ...
With Microsoft Windows Server 2008 R2 Hyper-V™ it is a quick and easy step to virtualization.

Ready to learn more about the business benefits of virtualization? Our brochure "Ready, steady ... go virtualization" provides you with all that. And if you wish to get more individual advice, sign up for an appointment with us, your local HP/Microsoft Frontline Partner at www.xxxx.xx

Yours sincerely,
